Re: Patent 10/688,510  
Notice of Abandonment

Dear Ms. Abbott:

I am in receipt of the Notice of Abandonment stating no reply was received in response to the letter mailed on January 12, 2005. Enclosed is a copy of the self-addressed postcard stamped March 31, 2005 by the USPTO stating the USPTO had received the drawings and brief description of drawings sent in response to the January 12, 2005 letter. I have not abandoned my patent application. To the contrary, I responded within the specified timeframe to the USPTO letter rejecting my claim as lacking drawings and the brief description. If for any reason those drawings have been lost, I will of course resubmit them.

In sum, I have complied with the USPTO requirements in a timely fashion and have not at any time abandoned my application for a patent for the disposable pre-filled water bowl for pets. For that reason, I respectfully ask that my application be revived as soon as possible.

Thank you for your kind attention to this matter.

Sincerely,

*Maureen L. Keaney*
